

# CONSERVATION WALKS

This permissive footpath creates a circular walk, which follows grass margins around the edges of arable fields and along the banks of the River Foss. Conservation management on the farm includes restoration of hedges, tree planting and management of grass field margins.

STEWARDSHIP  
SCHEME**

**ENVIRONMENTALLY  
SENSITIVE  
AREAS**

This access has been provided under the Department for Environment, Food & Rural Affairs' farm conservation schemes, which help farmers and land managers protect and improve the countryside, its wildlife and history. It is permissive access and no new rights of way are being created. Existing rights of way are not affected. Please follow the Country Code and observe any other requirements shown above. Do not disturb wildlife, livestock or other visitors and in particular keep dogs under control. This is working farmland so please take care; people using this site do so at their own risk. Access ends in September 2011.
